

DECLARATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name; that

I believe I am an original, first and sole inventor of the invention entitled "Moulded Thermoplastic Articles And Process To Make Them" which was filed on October 10, 2003 as PCT/GB2003/004387.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to in the Declaration.

I acknowledge my duty pursuant to 37 C.F.R. §1.56 to disclose information of which I am aware which is material to the patentability of this application.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false

statements may jeopardize the validity of the application or any patent issued thereon.

ASSIGNMENT

In consideration of the payment of one (\$1.00) dollar, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Fuquan Zeng ("Assignor") assigns to Colormatrix Europe Limited, 9-15 Unity Grove, Knowsley Business Park, Knowsley, Merseyside, L34 9GT (GB) ("Assignee"), his entire right, title, and interest in and to the U.S. patent application (the "Application") for an invention entitled "MOULDED THERMOPLASTIC ARTICLES AND PROCESS TO MAKE THEM" (the "Invention"), the Application based upon International Application No. PCT/GB2003/004387 filed October 10, 2003, and in any and all patents, reissue patents, certificates of inventorship, design registrations, utility models, and the like, that may be granted in the U.S. with respect to the Application and improvements thereto, and in any application, including continuations, continuations-in-part, or divisions, that may be filed in the U.S. with respect to the Application or improvements thereto.

Assignor grants to Assignee the right to add the following information regarding the Application when it becomes available so that this assignment may be recorded in the United States Patent and Trademark Office.

MOULDED THERMOPLASTIC
ARTICLES AND PROCESS TO MAKE THEM
(Title of Application)

(Serial Number)

(Filing Date)

Assignor represents and warrants that he has not transferred, licensed, and/or assigned any interest in the Application to anyone other than Assignee, and that he has not entered into any contract, assignment, or license conveying any right granted to Assignee hereunder, or that would otherwise conflict with this Assignment.

This Assignment and each of its terms shall be binding on the Assignor, his representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.

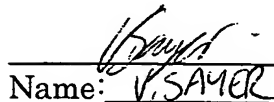

Fuquan Zeng
